One of the CD's in the display in the back of the church is titled: **"Can You Trust God?"** Since the fall of our first parents, humanity has been tempted to mistrust the love that God the father has for us. Scripture scholar Dr. Tim Gray takes us on a journey that addresses the pervasive misconceptions that God is quick to anger, that the God of the Old and New Testaments are different, and that God doesn't have a merciful heart for us. You will see that you can trust our heavenly Father, who is truly one with his Son.

STEWARDSHIP

All too often, stewardship is presented only with the church support or the funding of other charities as the goal. This is too limiting. Stewardship also involves time and talent.
