One of the CD's in the display in the back of the church is titled:

"Our Lady of Fatima and the Fall of Communism"

Craig Turner, a well-respected journalist and researcher, shares the unmistakable connection between the apparitions of our Blessed Mother at Fatima in 1917 and the fall of communism in Europe more than seventy years later. This talk is sure to provide a greater awareness of the motherly help and protection that Mary offers mankind through her powerful intercession. The importance of entrusting ourselves to her care has never been so evident as it is today.

STEWARDSHIP

Disciples who embrace stewardship as a way of life find that they experience an intense joy that comes from putting God first in their lives.
