### **Greetings Brother Knights,**

Well, the State Fair is over, kids are back to school, and the days of summer are coming to a close. As we head into the fall, let's take time to remember all the good things God has given us. It is only right that we give back. Our council is looking at various ways we can give back and make a difference in our community. Our district deputy is looking into some ideas as well. He just attended a meeting at Lutheran Trinity church last week on how we can possibly partner with "Habitat for Humanity" to help them with local projects. This sounds very exciting. This would hopefully provide our council with many opportunities reach out to our friends in need. I will continue to share information as I receive it.

As always we are anxious to welcome new members to our council. I would be happy to meet with you or share a phone call or email to fill you in on the workings of our wonderful council.

In Christ,

Greg Elsen  
Grand Knight
