The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for the harvest.

Luke 10:2

Grant us Holy Priests according to Your Heart

Lord Jesus Christ, You asked us to pray to the Master of the harvest to send out laborers for His harvest, as you were moved with pity seeing the multitudes without a shepherd. Mercifully hear our prayers!

Through the intercession of Mary, Mother of Divine Grace, may many more men respond to Your call to the Priesthood, to continue Your mission on earth. You who live and reign forever and ever. Amen!

The St. Gregory’s Conference of the St. Vincent de Paul Society is now in the process of accepting names of children in our parish area who will be attending school soon. Because of the large number of students we are trying to help with their school supplies, we are asking for any help you can give us for these kids. Following are some of the items we will be needing; Pens, pencils, glue sticks, plastic folder with brads, notebook paper, composition books, 5" scissors, colored pencils, highlighters, rulers, spiral notebooks, and washable markers. The one item we do not need is crayons as we have a large supply already. We appreciate any assistance you can give us so that we can help as many kids as possible. May God bless you for all you do.

Children’s Liturgy of the Word ~ Contact: Carmen Garza at the Religious Education Office 210-342-3826 or e-mail mcarmen.garza@stgregorys.net

Fourteenth Sunday in Ordinary Time. Luke 10:1-12, 17-20. In today’s Gospel, we hear that Jesus wanted to reach everyone with his message, so he sent his disciples out into the world so that through them others would come to know him.

A prayer to share with you children: Lord, we pray for everyone who shares your message of love and peace with the world. Amen.

Children’s Liturgy is on summer break. Have a safe and blessed summer.
I hope this newsletter finds you in good health and peace.

July is normally a very hot month and a lot of people are on vacation during this time. If you are here, I hope you are doing well with the heat we have and if you will be taking time off for vacation, I hope you will have a restful and rejuvenating time.

Our school continues to do well under the leadership of Principal Daniel Martinez and his team of administrators, teachers, and staff. These individuals have finished their school year recently and will be starting again next month on the sixteenth. They are very dedicated to our school community and have been a tremendous blessing to our parish. I am very grateful to them for the leadership they have provided and I am looking forward to more good things from them in the future. One of the new structures they have already incorporated is a new instruction called STREAM. STREAM is an acronym for Science, Technology, Religion, Engineering, the Arts, and Math. STREAM is NOT a new curriculum, but a framework for creative instruction and the facilitation of learning. STREAM uses technology to advance the experience. Students will receive a balance of traditional instruction and project based learning. They will use the science lab, whiteboards, iPads, and laptops to access the internet to explore, process, and apply concepts taught. Across the country, business leaders are having difficulty finding enough talent to stay competitive in their field. Our children need to be able to inquire, think, investigate, and innovate to succeed in their education career and beyond. STREAM will help prepare our students for successful careers in a 21st century workforce. If you would like to help with this please contact the school office to volunteer.

If you are thinking of sending your children to our school or know of someone who is, please visit the school website at www.stgregorysa.org, contact the school office at 210-342-0281, or email admissions@stgregorys.net for more information. I know it is a big sacrifice for parents to make but the financial investment is well worth it. The strong academics along with a solid Catholic religious instruction will give a strong foundation to the children as they grow into adulthood.

There have been some changes in our parish staff. We now have two seminarians staying with us, Paul Melgarejo and Ottmar Tovar. They began on June 10th and will be with us until August 2nd. While at St. Gregory’s these seminarians will maintain the following order of ministerial responsibilities and priorities with any variation to be personally discussed with me: first, presence at daily and weekend Masses; second, assisting with key parish ministry groups; third, to further assist me, as agreed upon, for the celebration of other sacraments and in activities throughout the parish. Their summer assignment with us is designed to help them grow in other aspects of formation which they do not receive in the seminary. I am very happy to have these seminarians and know they will be a blessing for us. I want to thank all of you for helping the Archdiocese form future priest for our church.

Congratulations to Deacon Carlos Cerna on his first anniversary with us, being assigned to us by Archbishop Gustavo Garcia–Siller, effective July 2, 2018. Deacon Carlos’ wife is one of our Religious Education teachers and an Extra Ordinary Eucharistic Minister, and their daughter, Angelica, will be in third grade at our school this up-coming academic year. I am happy to have Deacon Carlos with us on a permanent basis. He is a blessing to the parish and a big help to me. I’m hoping he will be with us for a very long time.

I am very happy with the spirituality of our parish. Last month our high school youth had their annual Teen ACTS Retreat. Everyone who participated in this retreat as a member of the team are parishioners of our great parish. They worked together as family to provide an outstanding experience for our youth. I am very grateful to them for giving so generously of their time and talent to this retreat. On June 8th, Bishop Michael Boulette celebrated the sacrament of Confirmation with thirty-five candidates. It was a beautiful Mass and Bishop Mike commented on how happy he is with our parish and all the good we are doing for the church. Jesus has told us whatever we do to the least amongst us we do to him. Our St. Vincent de Paul Society has been quietly helping the poor of our community for many years. They have listened to the words of our Lord and taken them to heart and are definitely putting their faith into action. Another group putting their faith into action is our Legion of Mary. The English Legion group visits the homebound and sick in the hospital and nursing homes while the Spanish Legion of Mary, Legion de Maria, continues their door-to-door ministry in the neighborhoods within our parish boundaries. I myself would have great difficulty doing what they do and I admire them for their courage and dedication in spreading the news of our Catholic faith and parish to all those they encounter.
In a time when so many people are afraid to show their faith, it is inspiring to see the Spanish Legion of Mary members going door-to-door bringing the good news of our faith and parish to others. I love hearing the Rosary and Chaplet of Mercy recited before our Saturday Vigil Mass. With these devotions along with the ministry of our choirs, lifts our spirits and helps us to be more aware of the presence of God in our lives. It has been a successful year for our CYO teams. Many of them have made the playoffs and done very well.

As summer time goes on, church attendance tends to drop off along with the collections. Please continue to be faithful to the commitment you have made to our Lord. The church depends on your weekly donations to pay its usual expenses. And, just like at home, there always seems to be something that requires our attention. For this reason, I humbly ask you to please do not stop your financial support of the church. Because of your generosity, the church has been able to take care of needed repairs in the past and also save money for future needs. Thank you for your contributions which help keep our facilities in good condition. I also want to thank you for your monthly contributions to our Building Fund. All the big repairs and renovations we do are funded from this account. Because of your generosity, this fund has grown. We recently put a new roof on the church, painted the interior, and put a new roof on Mary’s house. Little by little we are restoring our property and leaving it a better place for those who will come after us.

There are some other things I want to share with you. We have been having trouble with our facilities being doubled booked. If you want to use Mary’s House (Senior Center) or the church, please check with Rosa in the Parish Office before you plan your event. (For those wanting to book the Hall please contact Hope Rodriguez in the school office). Lately groups have been using Mary’s House and leaving it a mess. Please be considerate of others and before you leave make sure all the trash is thrown out and everything is put back in its proper place. We are in great need of lectors and ushers for the Sunday, 8:00 am Mass. The few we have now are very faithful and never complain but they could sure use some help. It is not fair that a few are carrying most of the load. We all need to step up and do our fair share. If you are a minister of Holy Communion please check your schedule and be ready when it is your turn to serve. If you cannot make it on your assigned Mass, it is your obligation to find a replacement. Too many times we are short-handed and it bothers me to see people rushing to the altar to fill a vacant slot at the last moment. We are also in dire need of new board members for our CYO program.

I am very grateful to the volunteers who have been cleaning the church on Sundays after the Spanish Mass. The month of June was done by the St. Gregory School Parents and their children. July will be done by ACTS Core and August will be taken by the Lozano family. These people have been a tremendous help to me and at the same time have assisted the church improve its financial status. I am a little concerned that we do not have the same number of teams that we had when we first started several years ago. My intention back then was to have enough groups so that each one would only have to clean the church once every fifteen months or longer, if possible. Currently there are fourteen groups and I would like us to have three or four additional groups just in case some of the current teams are unable to continue. If you are interested in this and would like more information please call me at 210-342-5271 or come up to me when you see me on campus and I will be happy to discuss it with you.

I am very happy with the number of youth who want to be part of our church ministries. All those wanting to be an usher, sacristan, lector, or announcer are asked to please contact Mrs. Gloria Silva or myself as soon as you can. We will get started on the training as soon as possible. I feel blessed with the large number of organizations we have. I am very proud of all of them and want to thank them for the good works they do in the name of our Lord. Let’s continue to build on what we have and do even more for God and our parish.

In closing, I just want to thank all of you for what you do for the parish and me. You make St. Gregory’s the nice place it is. Special thanks again to our organizations and volunteers for all you do. May God bless you. Just to let you know, I will be on vacation from July 17th-30th. Please give a warm welcome to Fr. Mike DeGerolami who will be coming in for the weekend Masses and confessions. This past year has tired me out and now I’ve been looking forward to this vacation. It will be nice to get some rest and rejuvenate myself. In my absence, please keep me in your prayers and I’ll be sure to keep you in mine.

May the Holy Family of Jesus, Mary, and Joseph watch over all of us and keep us in their care.

Remember, God loves you and so do I.
