HOSPITALITY - Includes Greeting and Ushering duties.

Arrive 15 minutes before Mass. When you arrive check with the other hospitality people and decide who will do offering (collection) and who will usher for communion. Also one of you ask a family to bring up the gifts.

Before Mass: Greet people at both the front door and gathering space door.

There should be two people at each door. If a need arises, one person can assist and the other person can still greet.

In the event of a large crowd where extra chairs are needed, 1 person remain at each door & the other 2 people set up chairs.

After Mass: Hand out bulletins at both the front door and gathering space door. Chat with people and invite them to stay for donuts.

READERS: Arrive a little early and go back to the sacristy and let Father know you are here. Ask if he wants you to process in.

There are 2 copies of the "Lector Workbook" in sacristy. You can take one home to prepare and return. Readings are dated.

All Ministries: **THANK YOU MINISTRY VOLUNTEERS!** If you are not able to serve on the date scheduled, please remember to find a replacement. A list of St. Teresa ministry volunteers is included with this mailing.
