Tuition Grants and Scholarships

The tuition rates charged by the Tuscarawas County Catholic Schools are among the lowest in the state and are far below the actual cost of educating each student. **Additionally, about 60% of our students receive help with the cost of tuition.** We offer several ways to help families save.

EdChoice Expansion Scholarship - Families with students entering kindergarten through sixth grade in 2019-20 may qualify for this income-based scholarship that could pay the entire cost of tuition. For example, a family of four with an income of \$51,500 or less may qualify. Some families new to the school living in some areas of Dover and New Philadelphia could also qualify regardless of income.

School, Church and Diocese Based Grants and Scholarships - All are encouraged to apply and all applications are considered. Applications should be filed on-line through the FACTS program. The application link to FACTS appears on the school website. We can meet with you to help you complete the application.

Volunteer Program - Elementary school volunteers can earn a \$150 credit toward the cost of tuition.

SCRIPS Buying Program - After paying a small registration fee, families can make on-line purchases for everyday products and services, earning tuition credits in the process.

We are happy to assist any family with scholarship and grant applications. Just give us a call to make an appointment.

Affordable. Open to All. Be a Saint!
