

The Environment Committee Schedule

for Linens

May-August 2019

Dear Friends,

I trust that your Easter was joyful and you got to participate in some of St. John's beautiful services. We have a new volunteer to serve on our linen committee. Kathleen Peterson, has generously offered to join us and will start out as a sub until we get another volunteer to partner with her. Please look over the new schedule and if there are any questions or concerns feel free to contact me.

God Bless,

Jerriann DeCaro
