The "Make It Art Ala Carte" will meet 1x a month starting out at either Dawn Hunsberger's home or Laura Basting's home. We require you to bring the regular supplies, your Art Binder, and any additional supplies needed for a particular project. One week before Art Class is scheduled, members are to call and let the host know if you are coming or not. If we find no one will make a scheduled Art meeting, we will cancel the get-together. Please be courteous and give your RSVP's each month. Calendar's should be in each binder with the written Art project for that month. We would also like members to give ideas for a project they would like to try with the Art Club. If a member proposes an Art project, that person will be responsible for giving each member a copy of the project and supplies needed before the month their project is scheduled.
