

Love Begins Here 2019

Registration is **THIS MONDAY**,
December 17th, 2018

5 Important Things You Need to Know

1. **Spots are limited!** Because of the immense growth of Love Begins Here these past 11 years, our parish is limited to how many kids we can take. If you know you want your child in for this life changing week, don't delay! Sign them up right away to assure their spot.

2. **Sun Prairie kids have multiple choices!** All Sun Prairie kids can choose between St. Albert or Sacred Hearts weeks.

3. **Seek out registration help!** All registration is done online through the Diocese (not through the parish). Be sure to seek out the "LBH Registration Instructions" found at madisondiocese.org for a smooth sign-up.

4. **We need amazing lead missionaries!** Do you love teens and the Catholic church? We want you! Love Begins Here is successful because of the amazing adults that participate in it. Consider this life changing week for yourself! **HINT:** *The quote to the right was from an adult!*

5. **Follow us!** For the most up to date information, go to the St. Albert website and look under our "Youth" tab. And be sure to follow us [@stalbertyouthmin](https://www.instagram.com/stalbertyouthmin) on Instagram!
