The Baptism of the Lord, January 10 & 11 – Have you ever wondered why Jesus, who was without sin, was baptized? The baptism of Jesus symbolized and anticipated his death. After Christ's ascension into heaven, baptism was required for all those who became Christians. St. Paul makes the connection between baptism and death for Christians when he maintained that we are buried with Christ in baptism, so that we may rise with him to a new life. In what way will we be good stewards of our new life in Christ in the coming year?

National Migration Week – January 4-10, 2015: The theme, “**We Are One Family Under God,**” brings to mind the importance of family in our daily lives. This reminder is particularly important when dealing with the migration phenomenon, as family members are too often separated from one another.

Prayer for Migrants

Loving Father, remembering that the Holy Family fled violence and lived for a time as refugees, we ask that you protect all refugee families fleeing persecution, and provide them a place of safety and comfort.

For children who are making perilous journeys, often alone and without the protection of loved ones, we ask that you reunite them with their families and protect them from violence on the journey.

For all migrants, that they not feel compelled to migrate but have opportunities in their homeland where they can thrive and live fully human lives.

Open our hearts so that we may provide hospitality for those who come in search of refuge, through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen.
