We have been blessed to have been recently awarded a *Vision Grant* in the 2017 Responsive Grants Cycle distributed by The Catholic Foundation this year. We are proud that the value of our Parish is being acknowledged and supported. We are grateful to the donors who contribute to The Catholic Foundation that make these grants possible. Everyone can contribute at any time to the funds for our parish or those used for granting. The Catholic Foundation is a non-profit autonomous organization that receives and manages assets to provide funding for the parishes, schools, and ministries within our Catholic community. If you would like more information on contributing to existing funds that support our ministries, or would like to work on a planned gift of your own, please contact James Anzelmo (janzelmo@catholic-foundation.org) at The Catholic Foundation, 614-443-8893.

Welcome to St. Luke Parish! If you are new to the parish, please introduce yourself to Father Hammond or Father Vince and drop by the parish office at the west end of the Community Center to register. You may also pick up a Family Registration form in the church from the table near the side entrance or in the vestibule, or one can be mailed to you upon request. Just fill it out with your information and return it to the parish office. If you are currently a member of another parish in the diocese, the diocese will transfer your membership to St. Luke's.

EUCCHARISTIC ADORATION: Each Tuesday after 8:00 a.m. Mass through Wednesday with Benediction at 10:45 followed by Mass. All are encouraged to come and spend some extra time with Our Lord, especially during this holy time of lent. You will be amazed at what the Lord can do. Another person has reported a miracle which can be attributed to their time praying at Adoration. They have been praying for a military soldier that could not come to church with his family because of the horrors of war and what he had witnessed and done in the line of duty. After praying in front of the Blessed Sacrament for this soldier, Praise God, they are now returning to mass with their family. There is nothing God will not do when we come before His Son in Adoration and pray.

St. Luke Cemetery: Just a reminder that any artificial decorations were to be removed as of March 1st. This is so the decorations do not interfere with mowing and trimming. Your cooperation is needed to keep the cemetery looking nice for everyone.

Marriage and NFP . . . a Divine Design

Married couples who use Natural Family Planning (NFP) report many benefits including: better communication between spouses, increased patience and emotional maturity, deeper understanding of each other, and growth in respect for God's gift of fertility. Engaged and married couples are invited to learn NFP by attending an upcoming diocesan NFP Class Series. Dates and locations are online at familylife.colsdioc.org; contact the Marriage and Family Life Office at 614-241-2560 or familylife@colsdioc.org for additional information.

Join hundreds of **single Catholics** of all ages at the **National Catholic Singles Conference, May 19th-21st, 2017**, held at the Double Tree Pittsburgh-Green Tree in Pittsburgh, PA. The weekend includes talks by dynamic speakers, music, social events, prayer, food, fellowship and more! Space is limited so register now. For more information and to register, visit www/NationalCatholicSingles.com. Use promo code NCSCPA to receive a **special Early-Bird discount through April 2nd**. Because of the scarcity of events which minister directly to singles, and because this is a national event that will draw several hundred attendees from all over the country (and internationally) we are confident the singles in the parish will be eager to know about it.

What skills have you discovered this Lent that can be put to good use in building God's kingdom? Visit crsricebowl.org for more.

A New Mission Field – The Christian family, in fact, is the first community called to announce the Gospel to the human person during growth and to bring him or her, through a progressive education and catechesis, to full human and Christian maturity” (*Familiaris Consortio*, 2). Marital fidelity is above all the foundation upon which a harmonious family life can be built. Unfortunately, in our time we see that the family and marriage are undergoing a deep inner crisis in the countries of the Western world.... Globalization and postmodern individualism promote a lifestyle that makes it much more difficult to develop stable bonds between people, and it is not conducive to promoting a culture of the family.

This opens up a new mission field for the Church; for example, among groups or families where opportunities are created for interpersonal relationships and for a relationship with God, where authentic communion that welcomes everyone equally can grow, that does not close itself off into groups of the elite, that heals wounds, builds bridges, goes in search of the lost, and helps “to bear one another's burdens” (Galatians 6:2).

~Pope Francis, Address to the Bishops of Austria, January 30, 2014
