St. Luke and St. Vincent have subscribed to a new educational tool by Bishop Robert Barron. The program is called "Word on Fire" and consists of all of Bishop Barron's videos. These are available to you via email and are free. You can access these videos from your computer, tablet, or smart phone as often as you like and use them for home study as Bishop Barron takes you on a Catholic journey guaranteed to spark your faith. We have been conducting a trial run of "Word on Fire" and are ready to offer parish wide. Remember this is free to you. So far we have over 40 parishioners registered. All we need is your email address and or mobile phone #. To make this as easy as possible, there will be cards in the pews next week. Father will give some time at the end of Mass to fill them out and the ushers will gather them. This program is a great way to learn more about our faith.

Volunteers: We are looking for adult volunteers to work with the youth group for the upcoming year. Youth group include 9th through 12th grade students. If you are interested in serving your parish youth or have any questions, contact the parish office at 740-599-6362.

Catechism of the Catholic Church 548: The signs worked by Jesus attest that the Father has sent him. They invite belief in him. To those who turn to him in faith, he grants what they ask. So miracles strengthen faith in the One who does his Father's works; they bear witness that he is the son of God. But his miracles can also be occasions for "offense" they are not intended to satisfy people's curiosity or desire for magic. Despite his evident miracles some people reject Jesus; he is even accused of acting by the power of demons.
