

VOL Gala

Pathway of Progress

The Cajun Fest Committee is proud to announce an exciting event that will take place to benefit Visitation of Our Lady School this Fall! We have added a VOL Gala titled "Pathways to Progress" to our event calendar this school year. The Gala will be held on Friday, November 2nd. The event will take place off campus at the St. Joachim's Pavilion. This adult only event will provide entertainment, food, and drinks. In addition, there will be silent and live auctions.

More importantly, this event will be an opportunity for us to come together as a community and raise funds for new walkways to beautify VOL's school campus. We are both grateful and fortunate to have parents and community members so actively involved and generous. We thank you in advance for your continued generosity.

HOW CAN YOU HELP??
