## FATHER'S DAY NOVENA

[To be said for 9 consecutive days beginning Saturday, June 10<sup>th</sup> through Father's Day, Sunday, June 18<sup>th</sup>.]

*Loving Father, you created me, sent your Son to die for me, and have given me new life in your Spirit. You, O Lord, have made yourself known by creating, redeeming, and sanctifying your people. O' Eternal Father, you have revealed your love to us through the incarnation and passion of your Son.*

*You also chose and honored your servant Joseph with the task of raising your Incarnate Word in times of persecution and confusion. We now look to Joseph as an exemplar of fatherhood for protecting, providing for, and spiritually leading the Holy Family.*

*Father in Heaven, help all earthly fathers to realize the responsibilities and privileges of serving you by caring well for their families and being an example of virtue to others. I now pray for my own father, for all spiritual and biological fathers. Increase your presence in them and let them be joyful examples of loving your Son. I ask you to look kindly upon all deceased fathers, and grant them a place in your kingdom. [You may add your special intentions.] I make these petitions through the intercession of St. Joseph in the name of your Son and my Savior. Amen.*

## WELCOME SEMINARIAN

My name is Nicholas Hebert, and I'll be staying in Washington for the month of June. I'm a seminarian studying for the priesthood, and I just completed my fourth year of studies with five more to go (God willing)! I'm currently studying at Theological College in Washington, DC, which is also where Fr. Jared did his studies. I'm 22 years old and was raised in Crowley, which is also where Fr. Jared was first assigned after his ordination (there seems to be a pattern...). I'm the youngest of four children with three older sisters. Yes, that means I'm the youngest and the only boy. When people hear this they sometimes tell me, "You must have either been spoiled or tortured!" I like to think a little bit of both is true. I've thoroughly enjoyed my time in seminary, and I look forward to spending a part of my summer with you all. I hope to get to know some of you as much as I can, apart from some of the work I'll be doing this summer for my studies. You will all be in my prayers. God bless!
