

Chromebook Renter's Policy

In the event your child's Chromebook is out for repairs, Sacred Heart Catholic School offers students an opportunity to rent a school owned Chromebook. The Chromebook Renter's Policy includes, but is not limited to the following:

- A parent must accompany the student to rent out school owned Chromebook.
- A deposit of \$75 dollars will be required at the time of rental, along with a claim/ticket number distributed from Dell's Warranty Service.
- This deposit will cover a two-week period.
- A Chromebook Condition form that will include photos of the device and the condition it is being checked out must be signed by both the parent and the student at the time of the check out.
- The \$75-dollar deposit is refundable if the device is returned in the same condition it was checked out in.
- If the school owned Chromebook is not returned in the same condition, the school will keep the deposit and put it towards a purchase of a new Chromebook.
- Rented Chromebooks are not allowed off the school premises. It is the student's responsibility to pick up and drop off their Chromebook from the designated charging station in the library.

****At the end of this two-week period and the students Chromebook is not back from the service center an additional \$75 will be required to continue to use the school's Chromebook for another two weeks.*

_____ has read and understands the guidelines of the Chromebook Renter's Policy. _____ has my permission to check out a Chromebook from Sacred Heart Catholic School. I have read and agree to the terms and conditions of the Chromebook Renters Policy
