**Helping Hands Needed**

A few helping hands will be needed to change the missals on Friday November 28<sup>th</sup> after the 8:20am Mass. Your help would be appreciated!

**How to use the "Little Blue Book": Advent Book**

Each 24-hour day has 1,440 minutes. You're asked to give six of those 1,440 minutes to prayer for the next 43 days. People who pray regularly will tell you that it works best if you do it at a set time every day. The main thing is to make it part of your schedule, not something you try to squeeze in whenever. The left-hand page is like a buffet table with a variety of thoughts about the Advent and Christmas seasons, the feast of the day, or various traditions and customs. The key is the right-hand page where we'll reflect on a Gospel passage. Look for these books at the main church entrance the weekend of November 29 & 30<sup>th</sup>. A suggested donation \$1.00.

**NOTES FROM FR. CARL.....**

As we end our liturgical season the gospel this weekend really puts in to perspective what we as faithful disciples are called to do. We are to care for

our brothers and sisters in Christ. Not only that, we will be called to accountability on this. It seems to me we need to be aware of the people who are hurting around us. We need to be attentive to the struggles of our fellow men and women. It is through this understanding and attentiveness that we will do our Lord's work of feeding the hungry, welcoming the stranger, clothing the naked, caring for the ill, and visiting those in prison. May we continue to grow in our understanding of great discipleship.

Blessings, Fr. Carl

**FROM THE DEACON'S DESK.....**

Every other month priests and deacons receive a Chancery bulletin from the diocese. It contains information helpful for liturgy planning and other pertinent information for pastoral care of the parish.

In the last bulletin it mentioned how Sacred Vessels of the Church are to be treated with special care and reverence. It specifically mentioned the Pyx, a small round case for safely transporting the Eucharist to the sick and homebound. Evidently numerous Pyx have ended up at thrift stores. Some of them have crumbs, and even hosts, in them. Great care must be taken by Eucharistic Ministers to the Sick and Homebound on the care of the Eucharist. If you have a Pyx that you no longer are using, please bring it to the parish office. If you are bringing communion to a loved one, or would like to do so, please contact me or Fr. Carl to receive training on the proper care of the Eucharist and appropriate prayers to pray when bringing communion to the sick or homebound.

God bless, Deacon Ray

**Genesis/Edge Service Project-College Students**

The Genesis/Edge Thanksgiving service project is focusing on the young people who are away at college again this year. You can help us in a few different ways. We need addresses and names of college students/including \$12.00 postage for each student or if you would like to donate items such as gum, microwave popcorn, granola bars, nutria-grain bars, peanuts, candy, snack crackers, or other individually wrapped snacks, packets of apple cider, hot chocolate or any other items you think a college student would like, you can drop off the items/and or names at any of the parish offices by December 1. These packages will be sent in December right about exam time. We appreciate your support! If you are unable to donate please include the college students in your prayers, as they deal with many stresses during this time.
