NOTES FROM FR. CARL.....

Well, we knew the great weather was not going to last! It is almost November, so we should be expecting a chill in the air. It has been a beautiful fall though!

Our gospel this weekend shows us how quickly a life can be changed for the better. This one interaction with Jesus changed Zacchaeus' life forever. His house was no longer one of a sinner, but of a forgiven man who repented and made repayment for any wrongdoing of his past. Our Lord gives us this opportunity through the sacrament of reconciliation.

Have a blessed week! Fr. Carl

Serving those who Serve

The United States Conference of Catholic Bishops (USCCB) approved a special triennial collection for the AMS in November 2012. The first National Collection for the AMS was timed to coincide with Veterans Day November 2013 and raised more than \$8,239,000. The second National Collection for the AMS will be taken in dioceses and parishes across the country in 2016, for most at Masses the weekend of 5-6 November, or as otherwise determined by an individual diocese or parish.

The Archdiocese for the Military Services, USA (AMS) was established by Saint John Paul II in 1985 to provide the Catholic Church's full range of pastoral ministries to those in the United States Armed Forces. The mission of the Archdiocese is to "serve those who serve" by providing the same pastoral care and services as any other Catholic diocese to Catholics serving in the United States Armed Forces, enrolled in U.S. Military Academies, undergoing treatment at any of the 153 Department of Veterans Affairs' Medical Centers in the U.S., Puerto Rico and Guam, working in civilian jobs for the federal government beyond U.S. borders, and the families of these populations. Programs and services vital to the unique mission and ministry of the Archdiocese include *Vocations, Evangelization and Catechesis, Sacramental Records, Tribunal, and Veterans Affairs*.

The AMS Office of Vocations informs and supports men exploring a priestly vocation and provides opportunities for vocation awareness and discernment with a focus on the military chaplaincy. The AMS Co-Sponsored Seminarian Program is a partnership with local dioceses and religious communities around the country. Currently, the AMS partners with 23 dioceses across the U.S. with 28 co-sponsored seminarians studying in 16 seminaries. As many as 20 additional candidates are in-processing for 2016 and, since the fall 2014, 113 candidates have been on one or more of the AMS discernment retreats and expressed interest in the Co-Sponsored Seminarian Program and military chaplaincy. Once a seminarian is in the Co-Sponsored Seminarian Program, the AMS covers half of the costs to his home diocese for priestly formation.

In 2016, three priestly ordinations and one transitional diaconate ordination are expected. Twelve priests are currently serving as priests in their home dioceses before they will begin ministry as active duty military chaplains. In 2015, three new co-sponsored priests joined a branch of the military. The Nation and the Church continue to depend on this generation of future priests to relieve a chronic shortage of Catholic chaplains in the military. At the same time AMS vocations programs have surfaced numerous other vocations to the priesthood and religious life who do not intend to serve as chaplains!

The AMS receives no funding from the military or the government in support of the aforementioned programs and relies solely on private donors. The AMS annual operating budget is over \$6.8 million, which includes the cost of maintaining an archive of more than 3 million sacramental records, a tribunal to adjudicate marriage annulments and other issues of canon law, and a religious education and faith-formation program. Additionally, the AMS average annual share of expenses for the Co-Sponsored Seminarian Program is more than \$2.8 million over the next five years. The AMS average annual cost per seminarian is \$18,000.

While the Government is reducing the size of the Armed Forces, the world situation, as we have repeatedly and dramatically witnessed both at home and abroad, continues to make the need for a strong military more evident. It is imperative that the Catholic faithful who defend our religious freedom do not have to sacrifice theirs.

**COLLECTION FOR THE
ARCHDIOCESE FOR THE MILITARY SERVICES, USA**

La Conferencia Episcopal de los Estados Unidos (USCCB por sus siglas en inglés) aprobó una colecta especial trienal para la Arquidiócesis Castrense en noviembre de 2012. La primera colecta nacional para la Arquidiócesis fue cronometrada para coincidir con el feriado de los Veteranos de noviembre del 2013 y recaudó más de \$8.239.000. La segunda colecta nacional se llevará a cabo en las diócesis y las parroquias a lo largo del país en el 2016. Muchos harán la colecta en las misas del fin de semana del 5 al 6 de noviembre o cuando lo determine cada diócesis o parroquia.

La Arquidiócesis Castrense de los Estados Unidos de América (AMS por sus siglas en inglés) fue establecida por el Papa Juan Pablo II en 1985 para proporcionar una gama completa de los ministerios pastorales de la Iglesia Católica singularmente a los católicos en el servicio de las fuerzas armadas estadounidense. La misión de la Arquidiócesis es "servir a aquellos que sirven" proporcionando el mismo cuidado pastoral y servicios que cualquier diócesis católica, a los católicos en el servicio de las fuerzas armadas de los Estados Unidos, a los ingresados en las academias militares, a los que están sometidos a tratamiento médico en cualquiera de los 153 Centros médicos del Departamento de los Veteranos en los Estados Unidos, Puerto Rico y Guam, a los que trabajan en posiciones civiles con el gobierno federal fuera de las fronteras de los Estados Unidos y a las familias de éstos. Los programas y servicios vitales para la misión y el ministerio singular de la Arquidiócesis incluyen las vocaciones, la evangelización y la catequesis, los registros sacramentales, el tribunal y el ministerio para los Veteranos.

La oficina para las vocaciones informa y apoya a los hombres en el discernimiento de la vocación sacerdotal. Proporciona oportunidades para fomentar la conciencia vocacional y el discernimiento con enfoque en la capellanía castrense. El Programa de Seminarista Copatrocinado es una asociación entre la Arquidiócesis y las diócesis civiles y las órdenes religiosas alrededor del país. En la actualidad, la Arquidiócesis mantiene asociación con 23 diócesis en los Estados Unidos con un total de 28 seminaristas copatrocinados cursando estudios en 16 seminarios. Un total de 20 candidatos están en proceso de discernimiento para ingresar en el 2016 y desde el otoño de 2014, 113 candidatos han participado en uno o más de los retiros de discernimiento de la Arquidiócesis, expresando interés en el Programa de Seminarista Copatrocinado y en la capellanía castrense. Una vez que el seminarista es aceptado en el Programa de Seminarista Copatrocinado, la Arquidiócesis Castrense asume la mitad del costo de la formación del seminarista a través de su diócesis de origen.

En el 2016, se espera tener tres ordenaciones sacerdotales y una ordenación al diaconado. Doce sacerdotes están prestando su ministerio sacerdotal en su diócesis de origen antes de iniciar como capellán castrense en el servicio activo. En el 2015, tres nuevos sacerdotes copatrocinados se unieron a una rama de las fuerzas armadas. La nación y la Iglesia dependen de esta generación de futuros sacerdotes para aliviar la escasez crónica de capellanes católicos en la militar. Al mismo tiempo, los programas vocacionales de la Arquidiócesis Castrense han identificado numerosas otras vocaciones al sacerdocio y la vida religiosa que no tienen la intención de servir como capellanes.

La Arquidiócesis Castrense no recibe fondos monetarios de la militar o del gobierno para sufragar los gastos de programas citados y depende únicamente en benefactores privados. El presupuesto de operación anual de la Arquidiócesis sobrepasa los \$6,8 millones, lo cual incluye el costo de mantenimiento del archivo de más de 3 millones de registros sacramentales, el tribunal para juzgar las nulidades de matrimoniales y otros asuntos canónicos y el programa de educación religiosa y de formación en la fe. Además, los gastos anuales promedio del Programa de Seminarista Copatrocinado asumidos por la Arquidiócesis ascienden a más de \$2,8 millones por los próximos cinco años. El costo anual promedio por seminarista es de \$18,000 para la Arquidiócesis.

Mientras que el gobierno está reduciendo el tamaño de las fuerzas armadas, la situación mundial, como hemos visto a menudo y dramáticamente dentro y fuera del país, sigue evidenciando la necesidad de una militar robusta. Es imperativo que los fieles católicos que defienden nuestra libertad religiosa no tengan que sacrificar la suya.
