40 Days for Life

The Lenten 40 Days for Life (24/7) Campaign starts Feb. 14th-Mar. 25th, on the sidewalk near the Planned Parenthood Clinic on Oneida Street. Our presence is so very important. Door County Parishes are set for Sunday afternoons Mar. 4th, and Mar. 18th from noon-2 to walk and pray in Green Bay. For car pooling or more information please call Dianne 743-2260.

Knot You? Why Knot!

Ladies of the parish, St. Ann's quilters will be meeting in the second floor parish center to assemble blankets for the Salvatorian Mission. No skill is needed!

We just stitch and knot yarn strands to hold the layers together. All the prep work has been done. Starting date is Feb. 13th and continuing every Tuesday during Lent, from 9 - noon. We start with prayer, and have laughs and socialization in between. Good way to meet some super ladies and make it a Lenten commitment. Call Elise Denil 743-6425 if interested.

St. Ann's Quilting Mission

Time to downsize your linen closet! Our Lenten project is assembling blankets for the Salvatorian Center in New Holstein. We rely on donated items such as old blankets, mattress pads, bed sheets, and pillow cases. Ladies cut and sew them to form quilts for the missions in South America and Africa. Items can be dropped off at the parish office. Questions: call Elise Denil 743-6425.

CRS Rice Bowls

You can pick up a rice bowl in back of church. The money can be turned in during Holy Week.

CLASSROOM PROJECTS

- 4K – The 4K class is creating an “I Spy” quilt. This will be a great piece, game, and conversation starter for anyone who buys it.
- Kindergarten –The 5K class is making a flag with their handprints. A great keepsake to remember just how little they once were.
- 1st Grade – The 1st grade class is creating a framed cross shaped picture filled with black and white pictures of chalkboard words that are meaningful to them. This picture will help you remember the important things in life.
- 2nd Grade – The 2nd grade class is ready for a road trip! Their project entails a cool world map with foam backing that can be hung on the wall, and push pins can be inserted in the places that have been visited. It will also include items to keep kids busy while on their many travels.
- 3rd Grade – The 3rd graders have created beautiful Christmas decorations. This set of three boxes is made of distressed wood and are hand painted. Each is adorned with corrugated tin ribbon and metal ornaments. They will make any indoor or outdoor space ready for the holidays!
- 4th Grade – The 4th graders are making wishes for the future. Each student wrote about three wishes, which are typed up in newspaper article style and framed. “The Most Fantastic Magical Things Can Happen and it all Starts with... a Wish”.

- 5th Grade – The 5th grade class has decorated a 3 in 1 custom tiled 32” fire pit, ice pit and grill with cover. Each tile is painted by our talented 5th grade students. It will include s’mores, roasting sticks, beverages and more!
- 6th Grade – This group of students has made two wall pictures. One is a picture of the students’ hands in the shape of a heart, and the other is a picture of the students’ hands praying. Each picture has a meaningful quote and would look great displayed in your home or office.
- 7th Grade – The 7th graders are ready for some fun! Students have created a yard jenga/yard domino game set to be played in a large space or outdoors. They have also decorated a handmade outdoor cornhole game.
- 8th Grade – The 8th grade project is named ‘birds on a wire’. It is a cedar board stained dark brown with painted birds. A wire is strung across the board and would be perfect to hang on a wall.
