Seminarian Collection & Speaker: Aug. 4 & 5

Seminarian Collection Kickoff: Providing priests for the future is all about being spiritual fed. That is why the Annual Seminarian Collection: *Hope for the Future, Help them Today* is so important. By now you most likely received a letter from Bishop Ricken requesting your help in supporting our local seminarians. Please return your generous contribution to this collection, using the pledge card and return envelope you received in the mail. A gift of \$25, \$100, \$250, \$500 or more will help our seminarians move forward in their work of becoming missionary disciples. Every gift makes a difference. Our seminarians are our *Hope for the Future*, let us *Help them Today!* As a Diocese, we anticipate costs of \$1,000,000 this year for tuition, room and board, health insurance, support of the Office of Vocations and the work of Fr. Mark Mleziva and Fr. Quinn Mann. Friends and followers of Jesus support one another! To make your gift today, visit www.catholicfoundationgb.org/give. If you also wish you can mail in your donation to the Catholic Foundation, at PO Box 23001, Green Bay, Wi. 54305. **All checks make payable to: CF-Seminarian Collection.**

From the Principal

To all of you, THANK YOU, for continuing to support St. John Bosco School. Whether your donation is as a golf outing participant, a reading buddy, tuition assistance donor, clipper of box tops, sharer of Econo receipts or any of the other ways to donate to the school it is all appreciated. You continue to help make our school viable and engaging.

All signs point to another incredible and productive school year. Phase I of our Project Lead the Way STEM training is completed, and we are ready to begin implementation with our students. Twenty-six days and counting until the new year begins. I am very excited to begin this year's journey with our new students as well as with those returning. Take a look at the pictures, found on the back side of this letter, demonstrating various ways students will be engaged with each other and STEM this year.

I welcome you to come and visit the school anytime to see your investment in action.
