Dear Parishioner and Friend of St. John Bosco School,

As the only Catholic school in Door County, St. John Bosco School provides students with a comprehensive academic and faith-based educational experience. It is our mission to shape future leaders through academic excellence in a caring environment where God's gifts are nurtured and where faith is put into action. To defray operational costs and further enhance our academic programs, the school relies heavily on the fundraising efforts of its Parent Association, community donations, and the generosity of all who can give to make a difference in the education of these students.

On Saturday March 2, 2019, the St. John Bosco School "Gala of Giving" will take place. The Gala includes a dinner, raffles, live and silent auctions and loads of fun! This community event raises funds to benefit the school's educational programs, technology, facilities, and enhances our strong sense of community spirit. This is our school's largest fundraiser; it raises over \$40,000 annually due, in large part, to the generosity of friends like you.

We invite you to consider donating to our event. You will find suggestions and ideas listed on the back of this letter. Your contribution will be used as a Live or Silent Auction item and will help St. John Bosco School provide leadership opportunities, present further academic experiences, and continue to develop a strong sense of community. We would appreciate any and all donations! You may then drop your donation off at the St. John Bosco School office or give me a call at the number below and I will be happy to arrange for a pick up. Thank you in advance for your generosity! Any questions can be directed to:
