Marriage Minute
Lenten “DO’S and DON’TS for mar-
ried couples.

- DO remember that your marriage
is your vocation. Things that
make you feel more in love can
actually make you more holy.
- DON’T take on a sacrifice that
will make life miserable for your
spouse. Deciding to go vegan for
40 days is noble, except if it
means your wife has to prepare all
your meals separately (and it
makes you crabby)!
- DO talk with your spouse about what
you can do together for Lent.
- DON’T think Lent has to be all doom
and gloom to be successful.
