Catholic Spiritual Care for the End of Life: The Importance of Decision-Making. Have you ever thought about end-of-life care for you, a spouse or a parent? What would it look like? Would your faith play a role? You may have thought about what you want medically at the end of life, but what about spiritually? It's a difficult discussion, but planning helps ensure that your wishes are honored. It also makes it easier on loved ones who may be asked to make those hard decisions about your care. You're invited to a presentation by Dr. Catherine Powers, Medical Director of Catholic Community Hospice. Hosted by Sacred Heart Parish, Paxico, Sunday, March 31, 1:30-3:00 pm. All are welcome.

Unplanned is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Abby Johnson is now one of the most ardent pro-life speakers in America. Take a friend and go see the movie. In theaters Mar. 29.
