MARRIAGE MINUTE

We spend a good percentage of our lives working out practical household details: Who is driving? How do we fix that? This weekend, the disciples are dealing with a dispute in the community, and, like us, they came up with a very practical solution. Our faith is deep and rich, but sometimes the Holy Spirit answers our prayers with simple problem-solving. Could your marriage use some similar strategies?

- A means of communicating feelings in a safe way that will bring you closer.
- A powerful way to break a habit of criticism.
- A process to heal hurts quickly and effectively (without making them worse!).
- A way to make decisions while preserving a tender atmosphere.

ST. BERNARD
