**Marriage Minute**

As parents, we experience love and respect from our children every time they listen to and obey one of our rules. Good parents always have a very good reason for giving their children rules. The motivation usually has something to do with protecting them from harm, even though our children don't always understand. This weekend, Jesus tells us that obedience to him is our way of demonstrating our love and respect for him. Jesus has many "rules" for us married couples intended to protect our marriages and help them flourish, but sometimes we are tempted to dismiss those "rules" because we don't understand them.

To help grow in your understanding of difficult teachings:

- Start with the assumption that the Church wants the best for its married couples.
- Study the "why" behind the "what" of the difficult teaching.
