Something to ponder: When we were kids, why were the least comfortable, least flattering, least favorite clothes we owned our “church clothes”.

Marriage Minute

The truth about humility
The truth about humility Oftentimes, we misuse the word humility. True humility is seeing oneself in light of God’s mission for us. For married couples, one of the greatest ways to practice this foundational virtue is to put God’s mission of marriage at the top of the priority list. One practical thing you can do to put your spouse first is to use their preferred love language instead of your own.

- Words of Affirmation: Intentionally affirm your spouse through speech or thoughtful notes.
- Physical Touch: Offer your spouse a back rub after dinner instead of jumping into cleanup.
- Gifts: Offer thoughtful gifts (not expensive).
- Quality time: Sacrifice time online or watching TV to spend time with your spouse doing what they would like to do.
- Acts of service: Quietly do a chore that your spouse normally does.
