Dear Friends of St. Helen Catholic School:

I am pleased to announce that St. Helen Catholic School in partnership with St. Helen Catholic Church will host the Centennial Grand Gala in recognition and to honor St. Helen Catholic Church on its 100th year. This year's event will take place on Saturday, February 23, 2019.

Our school continues to grow! The theme of this year's event "Grand Gala" coincides not only with our advances in academic excellence but also our increased enrollment. This growth is a direct result of more families seeking a high quality Catholic education for their children.

Your commitment to sponsor this event or donate an item for our auction will ensure that St. Helen Catholic School, a 501(c) (3) charitable organization, continues to serve the educational needs of our students. Tuition covers just a portion of our annual expenses and the Annual Gala is a means to ensure that our academic programs continue to advance. These funds have an immediate and positive impact on our students and faculty. They help to provide excellent curriculum and instruction for our campus. Likewise, keeping Catholic school affordable for families is a priority and your support can help tremendously.

Enclosed please find sponsorship details and donor forms for your review and consideration. Today though many Catholic schools are closing their doors we are proud to report that St. Helen Catholic School continues the charge of providing a quality religious based education. With your financial commitment you can play a big part in keeping this tradition of faith alive for generations to come.

Thank you for helping make good things happen at St. Helen Catholic School!

Warm regards,

Sandi Harpring
