

Welcome to Year 1 Confirmation!

Year 1 Confirmation Candidates (8th grade- SHCS and Public) are to accumulate a minimum of 50 points in service, or active participation in Parish Life. They are to complete these points by the end of the school year.

The Student can choose for themselves what they would like to learn more about or become more involved in this year. We encourage them to try something new.

Our hope is by being exposed to **Parish Life**, the Confirmation Candidate will begin to realize that they are part of something much bigger than themselves and that they truly can make a difference in the lives of many. (and yes, they may even have fun in the process!)

Listed below are samples of ministries and events with a point value.

***If there is a different ministry or event not listed that the student would like to participate in please call the Religious Education Office at 562-5954 to speak to the Director to clear it first. These requirements are NOT intended to produce stress on the student or family. Please feel free to talk to us if you have concerns or special circumstances that prevent your child from participating fully. We will be happy to work with you. *Please turn your service sheets into the Religious Education Office by the end of the school year 2020.**
