

## **President**

Nicole Lanier

I am excited and honored to be serving as the HSA President for the 2018-2019 school year. I have two boys, Patrick (6th) and Conner (4th). In the past I have served as a Homeroom Mom and I chaired the Father Daughter Dance for 5 years. I am a nurse at Wolfson Children's Hospital. Our family lives In San Marco. I am looking forward to another great school year!

## **Vice President**

Liz Heekin

Elizabeth joined Assumption parish in 2004 when she married Rob Heekin, Jr. They have welcomed 5 children into their family, all of whom attend Assumption Catholic School, from a Jr. High student all the way down to the baby, who attends class in the ECLC.

She currently works as a nurse for Baptist Medical center and finds nursing to be her calling in life. She has served the school and parish in many ways over the years, working with parish ministries including CRHP, the Assumption Womens Club, Walking with Purpose Bible study, St. Gianna Circle and the Little Flowers Girls Club. She enjoys spending time with her family, squeezing in an early morning workout, a good cup of coffee, delicious food, and singing loudly along to great music in the car, windows down, of course. She is looking forward to assisting on the HSA board this year as Vice-President.

## Secretary

Cathy Rogero

Cathy is married to Mike Rogero and the mom to 3 children at Assumption and one who is now at Bishop Kenny. Michael (class of 2017) is a sophomore at BK, Mary Catherine is in 8th grade, Jonathan is in 6th grade, and Dominic is in 3rd grade. She is a graduate of Assumption (a long time ago) and Bishop Kenny. She graduated from FSU with a degree in speech pathology and works part time. She loves being part of the Assumption community where she grew up and has been very involved in different ministries in the parish including Walking with Purpose bible study and CRHP. She has also been involved in various committees at the school including used uniforms sale, used book sale, Kona Ice, and homeroom parent. She looks forward to a wonderful year serving this great school!

## **Volunteer Coordinator**

Jackie Flint

My name is Jackie Flint and I moved to Jacksonville from Arizona in 1988. In 2011, I retired from the Jacksonville Sheriff's Office as a police officer in order to stay home and become a full time mommy. I have three children at Assumption (Cole/kindergarten, twins Jenna and Lauren/2nd grade). I have been a substitute teacher at the ECLC for the past two years and enjoy working with children very much. This will be my second year on the HSA board and have volunteered on many committees here at Assumption. I enjoy traveling in our motor home, cooking, reading, and spending time with family.

## **Historian**

Grace Lipari
