KEY FOR MASS INTENTIONS

- + - Indicates the person is deceased (please let us know when you arrive)
- (Anniversary) - indicates the anniversary date of marriage, death, ordination
- (Birthday) - indicates the person's birthday/date we are remembering at Mass

We give thanks to God for our many blessings; the Blessed Sacrament Community thanks you in advance for "offering" a Mass, a gift to the priests to support them in

their ministry from your many blessings. A Mass intention is a great way to remember someone, living or deceased, to celebrate many different occasions, beginning with the “source & summit” of our life, the Eucharist!

If you have requested the Mass, we invite you to sit in the pew by the credence (gift) table and process forward with the bread and wine to begin the Liturgy of the Eucharist. Sitting at the gift table in the narthex is the cue for the ushers and presiders that you are willing to offer the gifts of bread & wine on behalf of the community.

LOW-GLUTEN HOSTS & HEARING DEVICES

These are available for your assistance during Mass. See the communion ministers in the sacristy for a special host to be used during Communion. See the musicians for the hearing devices to support your active listening during the Mass.

CLOWN/HELPING HANDS MINISTRY

In last week's Gospel and again this week, we learned about Manna, the bread of life. This bread of life is shared with those who are broken – and we are all broken in one way or another. After we receive the bread of life at church we should then share it with others. We call this evangelization. We should radiate that love of God to others...in our workplaces, in our schools, and wherever we go. Everyone can evangelize. When I visit those in nursing homes, I let them know that they are powerhouses of prayer, and that their prayers are part of evangelization. To those ministering to people suffering with addictions, I explain that with the help of God they are offering support and hope to aid in overcoming these dependencies. This bread of life nourishes our young people to find God in their lives. When those in our ministry share this bread of life with those who are homeless, needy or unloved, this bread of life blossoms. It is even more valuable than the food and clothing they receive. Yes, we are all called to bring that heavenly bread to all we meet. We can bring comfort and strength in physical healing, but we need God, the bread of life. Recognizing our strengths and weaknesses, we turn to God. He has the remedy for everything. It is simple. If we just turn to Jesus, the bread of life, He will bring us this inner healing, this spiritual healing, so that we can live our lives in a way that makes God smile. GOD IS GOOD ALL THE TIME. ALL THE TIME GOD IS GOOD.

WHAT IS BEREAVEMENT?

Someone you love very dearly has died and the pain, sadness and confusion seem too great for any words to mean anything. Even life itself can seem hollow and meaningless and yet, the Bible tells us that everything works for good for those who love God. The one who suffers this loss is the mourner who must travel through the phases of grief. Working through grief is hard work, accomplished over a period of time and made easier when shared with others. The St. Paschal/St Clare Bereavement Support Group can help.

WALKING IN HOPE...

A BEREAVEMENT SUPPORT GROUP

Each of us grieves the loss of a loved one in a different way; yet, many experiences are common to all. St. Paschal and St. Clare wish to offer support to widows and widowers, parents who have lost a child or anyone who has lost a significant person in their life. A six-week support group will be offered beginning on Tuesday, September 4, 2018. We will meet in the St. Paschal Rectory Parlor from 6:30 to 8:30 p.m. in a relaxed atmosphere with guest speakers, support materials and refreshments. Come join us and feel free to bring a friend or relative. This support group is open to parishioners and non-parishioners. There is no charge. For more information, contact Barbara Curran at 440-840-5511, Corky Mondello at 440-449-3584 or the St. Paschal Rectory at 440-442-3410.

WE COUNT ON YOU! We are strengthened as the Body of Christ when the Body of Christ is present to worship. Thanks for making the effort in the summer to be here each week:

THE JOURNEY . . . A WAY TO DEEPEN YOUR EXPERIENCE OF JESUS

The Spiritual Formation Committee of St Clare and St Paschal Baylon will be offering Part 2 of THE JOURNEY, beginning the week of September 17. This six week program of sharing, prayer, and reflection is designed to help everyone – parishioners, family, friends and neighbors – grow in faith. THE JOURNEY brings us into contact with those who knew and encountered Jesus. Through videos and sharing, their experiences become real in our day . . . in our personal lives . . . in our relationships with God and others. Each participant will receive a book which contains faith sharing materials, consisting of prayer, scripture readings, reflections and faith sharing questions. You are asked to contribute \$10.00, which covers the cost of the book; scholarships are available. Groups will meet once a week at different times during the day and in the evening, both at St. Clare and St. Paschal. Registration forms, where you can choose the day and time you would like to meet are available in the business office or on the parish website, www.SaintPaschal.com. Please register by September 2 so we can order the books. If you have any questions or would like further information, call Barb Curran @ 440-840-5511 or Rosalie Lewis @ 440-227-8718. FROM THE PASTOR'S PERSPECTIVE

20th Sunday in Ordinary Time: Today's first reading from Proverbs is one of my favorite, plus it is the words to a few Eucharistic songs that I also love. It is a wonderful image of Wisdom, and Wisdom (a word and imagery for God) invites us to feed on God's food and drink of wine. Eating and drinking is essential to our everyday life and existence. We wouldn't say, "Oh, it's boring to eat breakfast, or I get tired of the same routine, or I don't get anything out of this meal." We eat and are grateful for what is given to us, for we are blessed and hopefully say a prayer before and after meals. I bring up these comments, for an

obvious reason. I think of our homebound people who long to be back at the "table of plenty," feeding off Wisdom, Sunday after Sunday here at church. They miss coming to church and being with the community. Thank God we have our Eucharistic ministers who keep them connected through the sharing of the meal through this special ministry and commissioning that happens at each Mass here at SPB.

God continues to invite us to eat of Wisdom! We do so, knowing that Wisdom will shape us, make us strong for the house of God and the house of the world. We advance in Wisdom together as the Body of Christ knowing that this "true bread and true drink" feed us into eternal life!

Summer Routines: This is our last Sunday before school begins again for so many, especially our own day school students. Thank you for making our parish part of your summer routine and your continued tithing and support that has helped us pay our many summer bills. Most everything was completed on our summer maintenance check list; I hope you enjoy the improvements and complement the maintenance and school leaders for bring it all together for the good of our students.

AC too Cold? It's difficult worshipping in a Light House, isn't it? Of course that's the design of the church, fulfilling the scripture passage, a city puts it lamp out for all to see! However, our church is more like a green house! For the last three years, we have turned the heat off in the summer to save energy and costs. This is one reason why at the early 8:00 a.m. Mass it may feel a little chilly for some. You are just feeling the natural, filtered (dehumidified) air circulating at that time of the day. The AC does not kick in until the middle of the 10:00 a.m. Mass, due to all the hot air! ☺ Both warm bodies and sun, again think of the greenhouse, kick on the AC. And we love your singing and participation to warm up the building.

The church is also set at the industry standard – like at a store at the shopping center. But, like a grocery store, you shouldn't hang out in the open fridge places/frozen food section. Just a kind reminder I share each year: don't walk on the vents around the church when you come into Mass or leave and you won't "get" or "feel" cold. It's like walking in the frozen food freezers. Walk straight up the aisle, and then go into your pew this way and around. We only have a few weeks left until we do put the heat back on. I'm sure you do the same in your own home to save energy costs, and we appreciate that suggestion from some of our parishioners.

Annual Parish Picnic: Special thanks to the Knights of Columbus, Welcoming Committee and our Youth Group for leading the food and fun for our parish picnic. I also am grateful to the liturgical ministers, especially our musicians and ushers, for the change of venue is a LOT of work for them and we appreciate the time commitment that they make, led by Dick and John, our head ushers.

Preparing for Leadership Day: Each year we have new leaders in our ministry who join forces with our great teams of disciples, our current leaders, fulfilling our pastoral plan's dreams and goals. While we are in the middle of the 4th year of our plan, we are finishing a little earlier than we planned – a year earlier. We have invited Rick Krivanka, from the Jesuit Retreat House, to lead us in a process of evaluating, with our implementation team of Kelly Ericsson, Jeff Gueulette, & Rosalie Lewis, and other parish leaders. The successes of the plan are many as we look forward to starting another 5-year plan. This will help our parish to continue to grow and build on the successes and legacy we have enjoyed for 65 years. Yes, this year our parish is 65-years-old and we are grateful to so many. Past, current and new leaders are invited to be at Leadership Day, **the national day of service, Tuesday, September 11, 6:00 – 9:00 p.m.** Please call the parish office to register, as a meal will be included. (Parish leaders – you will be getting a special email from our implementation leaders. This is a “save-the-date” reminder. 😊

Regards to Father Lito: We are so grateful to Father Lito for his service with us as chaplain to Hillcrest Hospital for these past several years. He's been such a faithful chaplain for us and the other two parishes. Father Lito, as Father Dunne mentioned in his SSS Education Homily, is going on sabbatical in Chicago this week to our seminary, Catholic Theological Union, for a 5-month program. After our provincial chapter in October, he will await a new assignment. Please join with me in giving thanks to God for his service here – and I know that Father Lito would appreciate a card of appreciation from you or a donation in his honor to our SSS Education Fund.

Join our Special School Masses: I invite you to regularly attend our school Masses – they are awesome for the students do a remarkable job with all the liturgical ministries. With the start of school, this Mass of the Holy Spirit will actually be on **Thursday, August 23, 9:00 a.m.** this week. Regular Masses are 9:00 a.m. on Wednesdays. If there is a holy day in the week, the school Mass changes to another day.

Let's continue to pray for each other and especially for our educators and all students. May the year be filled with much Wisdom – and return, Sunday after Sunday, to be fed by Wisdom at this holy altar, nourished and sustained to eternal life!

In Christ our Eucharist,

Reverend John Thomas Lane, SSS, Class of 1979, 8th Pastor

Peter describes our true identity as believers and points us to humility and submission. Discussion leader will be Lee Costanzo.
