Is This The Face of Jesus?

The Shroud of Turin

Shroud Talks was established by Bill Wingard several years ago to present the history and science of the Shroud of Turin and tackle its biggest mystery. Is the Shroud the actual burial cloth of Jesus Christ?

Bill's research for 20 years allows him to share with audiences a dynamic presentation that has increased interest in what Pope St. John Paul II termed "the most splendid relic of the Passion and the Resurrection."

Bill's research, coupled with the knowledge and assistance of Barrie Schwartz, the original photographer for the 1978 scientific evaluation, delivers a comprehensive presentation about the history of the Shroud of Turin. Full-size replicas of the Shroud are part of the presentation along with the negatives that started the renewed interest in the Shroud.
