## Message from the Pastor:

I would like to express my sincere gratitude to everyone that contributed in so many ways in making the funeral and Mass for Fr. Floyd Rotunno a beautiful and solemn farewell. It was truly a testament to Fr. Floyd and his love and affection to all that he ministered to during his life and to all who loved him. Now, may he find eternal rest in the loving arms of our Lord.

In today's Gospel of Luke, the shrewd servant has concern only for his immediate future and uses underhanded means to assure that his needs are met. In his efforts to protect his future, however, he limits it - he will only be welcomed into the homes of those whose favor he bought dishonestly with his master's wealth.

In today's society and the hectic days of each of our own lives, we rarely think about the ultimate future. Life itself pressures us into shortsighted choices for living. Discipleship, on the other hand, calls us to live in such a way that our daily choices form patterns of behavior that move us toward God's promise of life eternal. Faithful disciples choose not themselves first but to serve God and others.

As we celebrate Catechetical Sunday let us remember also that parents are truly the primary catechists of their children. They prepare the soil and plant the first seeds of faith. Today we not only highlight the work of catechists in parishes and schools but we also commend parents and guardians and encourage them to take seriously their role of making their Catholic households a place where faith is passed on to the next generation. Prayer, taught by parents, at the youngest of ages, will stay in the minds and hearts of children and will never be forgotten.

**A note to our Youth** - please don't forget our Youth Kick-off Mass begins today, Sunday at 6pm, with a Social Hour following the Mass. I know that this will be a special time out of your busy schedules that you, our young people of the future, will truly feel blessed, nourished and energized by Lord to face the challenges of your lives each week. I'm counting on you to be there and please give me or Tim Malone feedback if you have ideas that you would like included and benefit all our Youth.

Please mark your calendars on Sunday, October 2<sup>nd</sup> at the 10:30am Mass, we will pay a special tribute and offer our thanks and prayers for Barbara Dillon for her fourteen years of dedicated service and teaching to the Youth and Children of our Parish. There will also be a reception in the Parish Hall immediately following the Mass in her honor. All are welcome!

I'm looking forward to seeing everyone at our 100<sup>th</sup> Jubilee Closing Celebration Gala next week. Let us go forward as we begin our second century giving thanks to God for all that we have and ask for His Blessings and guidance for all the days of tomorrow. Let us also not forget our role in family life and our communities will be even more vital in the days ahead.

Enjoy the autumn season which begins this Thursday, Sept. 22<sup>nd</sup>.

God Bless You.  
Fr. Jacek

### St. Padre Pio - Feast day - September 23.

St. Padre Pio was an Italian priest who was known for his piety and charity and for the gift of the stigmata, which has never been explained.

"Pray, hope, and don't worry. Worry is useless. God is merciful and will hear your prayer."

- Saint Padre Pio

Born Francesco Forgione, on May 25, 1887, in Pietrelcina, Italy, his parents were peasant farmers. Battling sickness and little education, Brother Pio became a priest in 1910. On September 20, Padre Pio was hearing confessions when he felt pain in his hands and feet. He noticed the stigmata, the wounds of Christ, appearing on his hands and feet. The experience was painful. Bleeding occurred. The wounds smelled of roses, and although they continued to weep, they never became infected. Doctors who later examined the stigmata were amazed at their perfectly round shape. Padre Pio himself was uncomfortable with his newfound popularity but welcomed the pain uniting him to Christ. He famously advised, "Pray, hope and don't worry."

In 1947, Fr. Karol Wojtyla visited Padre Pio. Unconfirmed testimony states Padre Pio prophetically told him "he would rise to the highest post in the Church." Fr. Karol Wojtyla became Pope John Paul II in 1978 and later on June 16, 2002 canonized him. Padre Pio died on September 23, 1968. [www.catholicsonline.com](http://www.catholicsonline.com)

## “Did You Know”...

While still Cardinal Bergoglio, the Archbishop of Argentina, it is believed that Pope Francis promulgated a simple form of prayer using your five fingers. The Prayer method is as follows:

The following finger is the tallest. It reminds us of our leaders, the governors and those who have authority. They need God’s guidance.

The fourth finger is the ring finger. Even though it may surprise you, it is our weakest finger. It should remind us to pray for the weakest, the sick or those plagued by problems. They need your prayers.

The next finger is the index. Pray for those who teach you, instruct you and heal you. They need the support and wisdom to show direction to others. Always keep them in your prayers.

The thumb is the closest to you. So start praying for those closest to you. They are the persons easiest to remember. To pray for our dear ones is a “Sweet Obligation”.

And finally we have our smallest finger, the smallest of all. Your pinkie should remind you to pray for yourself. When you are done praying for the other four groups, you will be able to see your own needs but in the proper perspective, and also you will be able to pray for your own needs in a better way.
