"While protecting our borders is important, we can and must do better as a government, and as a society, to find other ways to ensure that safety. Separating babies from their mothers is not the answer and is immoral."

## FOCUS ON FAITH FORMATION

By the blood of Christ, we who were far off have become closer to God, teaches St. Paul in today's second reading. Christ came to save all of us through reconciliation with God through the Cross. So who are the "far off" in our lives today? Are we the "far off"? Are there people in our own families or communities that we need to reach out to and share the love and peace of Jesus Christ? It is our calling as Christians to share the forgiveness, love and peace that God gave us through his Son, Jesus Christ. Be loving and kind to all you come in contact with. Share your love and faith in Jesus Christ with others. We need to support one another on our faith journeys and invite people back to the Church if they have fallen away.
