FOCUS ON FAITH FORMATION

“Thus I will test them, to see whether they follow my instruction or not.” Ex 16:4 God was not “testing” the Israelites to be mean or harsh, but to see their level of trust and demonstrate his fidelity and grace as he saved them from slavery and famine. Like the Israelites, God hears our complaints and sees our times of doubt and struggle. During these times, we need to know and have faith that God is present, but in ways we may not want or expect. A “solution” to our complaint or struggle may be more about changing ourselves, our point of view or attitude and less about changing the problem. God showed the people his love and care by sending down the quail and manna. In your life, how does God show his love and care to you? How aware are you of God’s presence in your life?
