In today's First Reading from the Book of Genesis we hear the story of Adam and Eve and their sins, defying God. However, when God was present in the garden, the man and woman hid themselves. Adam responds to God's question: "Why?", in part by saying: "I was afraid... so I hid myself." Did he, do any of us really think we could hide from God?

As children many of us may have hidden from a parent when we did something wrong and it was in violation of some specific order we had received. Our efforts to hide what we did and to hide ourselves were probably no more effective than Adam's.

As humans we know the temptation of following our own plans, even if they are contrary to God's. We think we know better and we may try to still have it our way. If what we have done is particularly shameful, we may try to hide our sins from God. The sincere truth is that we cannot hide from God any more than Adam and Eve could.

What are we hiding from? In recent weeks we have learned over and over how much God loves us and if asked is willing to forgive us.

It is time for us to accept that and not hide.

Student Council with Mrs. Magann & Mrs. Kelly

The Student Council at Holy Family Regional Catholic School has worked hard all year to ensure that students are provided with a happy and healthy environment in which they can explore their faith and serve their community. Myriad organizations have benefitted from our themed dress down days, including the Ronald McDonald House, One Warm Coat, Catholic Social Services, Spirit of Children, Honor Flight Network, and Saint Jude's Children's Hospital, just to name a few. The amount of donations as of May 31st that Holy Family has had the privilege to grant is \$4,085.42.
