Dear Kindergarten families,

I hope you had a wonderful Thanksgiving! Now, on to December filled with the joy and anticipation of our Lord's birth!

We have officially started our learning about Advent by listening to the Gospel and Father D.'s homily in Mass yesterday. We will continue our focus on Advent and the true meaning of this blessed Christmas season. I have sent home a special Advent calendar for you and your child/family to enjoy together. It is filled with simple daily activities you can do together to add meaning and joy to the season.

We are planning a very special field trip to sing Christmas carols to the residents of Pleasant View nursing home! I just need to finalize dates and details and will get the information to you soon!

In addition to our field trip, we have many special events happening before Christmas which include Christmas Around the World on the 20<sup>th</sup> and our Christmas party on the 21<sup>st</sup>. I will be sending out a Sign Up Genius' for both of these events for donations and/or just a helping hand. Your help and donations with these special events are truly appreciated!

Blessings to you and yours, Ms. Jones

---

## Upcoming Events

- December 9- Pancake Breakfast
- December 14- Casual for A Cause
- December 20- Christmas Around the World and Christmas Program!
- December 21- Christmas Party!  
Early dismissal (12:10)

## This Month's "Fun Work"!

Rather than a weekend Fun Work assignment, please just participate and enjoy doing some of the activities on your Advent calendar. It will help reinforce what we're learning here in school and add special blessing and meaning to this season of joy! Thank you!
