Dear Kindergarten families,

We have had such a blessed week! We've been learning all about Advent this week in religion. Father Mike also addressed it in Mass yesterday. We've made advent wreaths and calendars and the children seem to have a pretty good grasp of Advent's meaning and significance.

Your children had a very special surprise waiting for them yesterday morning. They walked in to discover that St. Nicholas left them treats in their lunch envelopes! They were SO happy and surprised!

We've been very busy practicing our carols and preparing cards and ornaments to take as gifts for the residents of Pleasant View next Tuesday. Thank you to all of you who have signed up to drive and chaperone! We need as many drivers as we can get! It should be such a great time. Please remember to have your child wear their St. Paul t-shirts and a Santa hat. It's so exciting that we are going to be part of a commercial! I was told that the commercial itself may not air until next Christmas, but that it will be on Facebook right away!

I will be sending out a sign up genius for our Christmas party next week. After all, it's just around the corner!

Blessing to you and yours,

Ms. Jones

## This week's "Fun Work"!

We've had fun decorating our classroom for Christmas! Many of them have told me about their Christmas trees at home. To add a touch home to school, please have your child bring in a special ornament from home that they would like to hang on our classroom tree.

Thank you
