Hello Kindergarten families,

What a busy week we've had in kindergarten! Our participation in Mass and performance for Grandparents Day was a huge success! Thank you SO much to all of our families who attended this special event!

We also had a great time making homemade applesauce with our 8<sup>th</sup> grade friends! Your children and their 8<sup>th</sup> grade friends washed and peeled apples and measured ingredients (sugar and cinnamon) to make a delightful batch of applesauce which they shared together. It was a fun and yummy time! I will post pictures of it in our photo album on our classroom web page soon!

I'm excited to announce that we have planned our first field trip! We will be going to Uncle John's Cider Mill on October 15! I will be sending home more information on this very soon.

Have a beautiful and blessed weekend!

Ms. Jones

## This week's "Fun Work"!

PLEASE help your child learn how to tie their shoes. It is an important skill that they need to know. Many of them are struggling with this. Please also double knot their laces if possible. Thank you! 😊
