Hello Kindergarten families,

We have had yet another great week in kindergarten! I'm just amazed at how well your children are learning the ins and outs of our busy days!

We have started using Moby Max! It is a wonderful computer program that helps enhance learning in all curricular subjects! We are currently focusing on math. Your child can also use Moby Max at home! Just let me know and I'll give you all the information you need!

Did you know that we collect box tops here at Saint Paul? We have a contest each year to see which class can collect the most. Last year, despite only having five students, the kindergarten class won! Please send them in if you have them! We also collect VG's grocery receipts.

Thank you SO much for helping your children do their homework! They are earning golden tickets galore! It's so important to have you help them learn the importance of early learning and responsibility. Thank you!

We will be celebrating Grandparents day by having a grandparent's day mass, special classroom performances, and donuts afterwards. The kindergarten and 1st grade classes will be singing a song together!

Have a safe, happy and blessed weekend,

Ms. Jones

Upcoming Events

September 22- Diocesan Assembly-
"Made For Happiness"- Lansing

September 27- Grandparents Day
Mass & Celebration- 8:50 A.M.

September 30- Happy Birthday
Aiden!

This week's "Fun Work"!

This week's fun work is to have your child bring in a picture of their family to share and display in the classroom. Also, PLEASE help your child learn how to tie their shoes. It is an important skill that they need to know. Many of them are struggling with this. Please also double knot their laces if possible. Thank you! 😊
