Dear Kindergarten families,

Happy Easter!

Your children have been very busy learning all about Easter this week! In fact, they have had to learn a LOT of new things associated with this blessed season! I hope you all enjoyed their Stations of the Cross project that they made last week. They learned so much from doing that! Thank you SO much for sending in the plastic eggs and cartons!

We also made great use of the plastic eggs today when we had our Easter egg hunt with our 8th grade friends! It was such a fun time! I will be posting pictures of that on our classroom web page.

For our science project today, we colored eggs! The class was so excited to see their white eggs transform into beautiful bright colors! So, as mentioned above, it has been a VERY busy week preparing, learning, creating and having fun for Easter!

I would also like to thank those of you who have brought items in for Lulu's fish tank. She is doing very well and her tank is now more sparkly and decorated! 😊

I hope you all have an Easter filled with beautiful moments and abundant blessings!

Ms. Jones

Upcoming Events

April 14- Palm Sunday

April 18- Holy Thursday

April 19- No School- Good Friday

April 21- HAPPY EASTER!!

This week's "Fun Work"!

To help learn about caring for our Earth and celebrating Earth day, please have your child bring in some "clean litter" items such as plastic bags, food boxes or containers etc. We are going to make "litter bugs" next week! Thank you!
