*The Bible and the Virgin Mary* is a dynamic twelve-part video series along with written material that beautifully explains the Catholic truths about Our Lady, showing how she has been a part of God's plan to bring salvation to the world since the beginning of time. In addition to explanation of dogmas, answers to common objections, and demonstration of Mary's presence in the Old and New Testaments, the study discusses Church-approved Marian apparitions that play an important role in Catholic Tradition. It's sure to help Catholics and non-Catholics alike grow in an understanding and appreciation of the Mother of God.
