October 28, 2015

My dear brothers and sisters in Christ,

Welcome to our second annual gala celebration of the diocesan priesthood in the Diocese of Worcester.

Tonight, we are here to celebrate the contributions that so many priests, both active and retired, have made to the Diocese of Worcester. Our priests inspire us with a message that transcends history, a message of redemption through the sacrificial love of Jesus Christ for each of us. By their actions, their words and their commitment to the vocation of the priesthood, our priests have responded to a call to bring Jesus Christ into each of our lives.

As we share in fellowship tonight, this magnificent setting in Mechanics Hall provides a wonderful venue to reminisce about priests who make a difference in the world, much like the people whose portraits hang on these walls. In good times and in bad, priests have been and will continue to be integral to the life of all Catholics.

As you know, proceeds from tonight’s event benefit the priests’ retirement fund, which, in recent years, has faced on average an annual $1 million shortfall. On behalf of our committee, which worked diligently to bring this night to fruition, I thank all of you for your participation and your willingness to help us raise needed funds for priests’ retirement care. I am confident that each of you joins with me in thanking our priests and in wanting to assure that we provide for their care in their senior years with dignity.

I also wish to offer a special thank you to our sponsors who are all listed in this program, along with the many advertisers as well as the donors who could not be with us tonight. Their generosity was key to tonight’s successful results.

May this evening’s tribute be a testimony to the love and devotion we share for our priests. Let us raise our voices in prayerful gratitude to Almighty God for the gift of the priesthood which he has bestowed on us as a community of faith.

With every prayerful best wish, I remain

Sincerely yours in Christ,

+ Robert J. McManus

Being good shepherds means “meditating on the Gospel every day to pass its message on through one’s life and preaching.” It also means experiencing God’s mercy through the Sacrament of Reconciliation.” “It is vital to always go to confession so you can become generous and merciful ministers because you will feel God’s mercy upon you, encouraging you to become generous and merciful ministers.” It means feeding on faith and love of the Eucharist in order to provide nourishment to the Christian people.” “It means being men of prayer so as to become the voice of Christ that praises the Father and constantly intercedes for their brothers.” (Pope Francis – April 14, 2014)

The priest is not an angel sent from heaven – he is a man chosen from among others, a member of the Church, a Christian.

As one of us and as a Christian, he begins to speak to you the word of God – and this word is not his own. No, he comes to you because God has told him to proclaim God's word. Perhaps he has not entirely understood it himself but he believes; and despite his fears, he knows that he must communicate God's word to you.

For must not someone say something about God, about eternal life, about the majesty of grace in our sanctified being? Must not someone stand up and speak of sin, of the judgment and of God's mercy?

Pray for him, carry him, so that he might be able to sustain others by bringing to them the mystery of God's love as revealed by Jesus.
