Sharing in the function of Christ, priest, prophet and king, the laity have an active part of their own in the life and activity of the church. Their activity within the church communities is so necessary that without it the apostolate of the pastors will frequently be unable to obtain its full effect."

Each one of us is called to an active participation in the life of the parish. This goes beyond occasionally attending Mass on Sunday.

Dear brother priest,

This letter is written in asking every priest in our Diocese to please celebrate a communal Anointing of the Sick within Mass for all peoples in your parishes that may be homebound or ill. At our last Presbyteral Council meeting it was suggested that you seek help from your parish flock to arrange transportation for people who need a ride. Ask The Knights of Columbus or other parish groups to help transport members that may need assistance in getting to this special celebration.

The dates that were noted for this Mass is any day September 11-18, 2016 with a time that works best for your parish and so that as a diocese we can all be celebrating during the same week. Please have a reception following the Mass for all those who will be attending the celebration, very often these people are parishioners who in the past have been involved in your parishes but now simply cannot because of illness or age.

I know this is asking a lot on your already busy schedule but I feel it is important to make these people aware that they are still loved and appreciated by this sign of sacrificial love.

Yours in Christ,

Bishop of Amarillo

Anointing of the Sick

Bishop Zurek has requested that each parish in the diocese celebrate a communal Anointing of the Sick within Mass for all peoples in the parish that may be homebound or ill. He suggests that the parish family come together to arrange transportation for people who need a ride.

We will celebrate this sacrament within Mass on September 11, 2016 which is the normal Sunday for Anointing of the Sick.

I ask your assistance in identifying ill and homebound parishioners and help make arrangements for them to be at this Mass. Many of these parishioners were formerly very active in the parish and often feel isolated from the community by their health. Let us show them our love and appreciation by helping them be present at this celebration.

Unción de los Enfermos

Obispo Zurek nos ha solicitado que cada parroquia de la diócesis celebrar la Unción de los Enfermos dentro de la Misa para todos las personas de la parroquia que sean confinados en casa por edad o por enfermedad. Se sugiere que la gente de la parroquia se reúnen para organizar el transporte para personas que necesitan.

Vamos a celebrar este sacramento dentro de la Misa el 11 de septiembre 2016, que es el Domingo normal para unción de los enfermos.

Les pido su ayuda en la identificación de los parroquianos enfermos y ancianos y ayuda a hacer los arreglos para que puedan asistir esta misa. Muchos de estos fueron muy activo en la parroquia y, a menudo se sienten aislados de la comunidad por su salud. Mostrémosles nuestro amor y aprecio, ayudándolas a estar presentes en esta celebración.
