Online Payment Processing System

## How Do I Sign Up for PayForIt.net?

PayForIt.net is an online web-based payment system that provides wide flexibility to both parents and schools managing lunch accounts, fees, activities, registrations and after school programs for your student(s).

**Saint Albert the Great uses PayForIt.Net for their online payment system. Parents create an account at PayForIt.net and put money on their child's cafeteria meal account and on their School Program:Before/After Care account.**

**To set up an account your will need your child's school ID. Student ID's were printed on label of packet pick up, please contact the school office if you do not know the ID.**

**PayForIt Mobile is available to fund your student's lunch account. Please goto the App Store or Google Play to download the App to your mobile device.**

**Step 1 Register:** See following instructions to Register

A parent or guardian completes the online form that includes their credit card information. An email with a validation code is then sent to the address that was entered during the registration process.

Validate: The parent or guardian enters the validation code which activates their account.

**Step 2 Add Students:** Once a registered PayForIt member, the parent or guardian can begin to add students to their account and begin funding their meals. To accomplish this, you must know your child's student ID number, School and Grade. This is a requirement for registering your student to the account. If you do not know their Student ID Number (Not their PIN) you can call the school and they will provide it to you.

**Step 3 Deposit:** Using the Make Payment page, you can now deposit money into any or all of your student's accounts. Money deposited before midnight will typically be posted to the students account by the following morning.

# Step 1 – From the [www.payforit.net](http://www.payforit.net) home page, press the Sign Up for an Account

1) To sign up for an account from the homepage, press Sign up for an Account.

## Step 2 – Create New Guardian Account

2) Complete the information on the Create New Guardian Account screen.

a. Using the pull down menu, find your student's school district.

i. Please select school district:

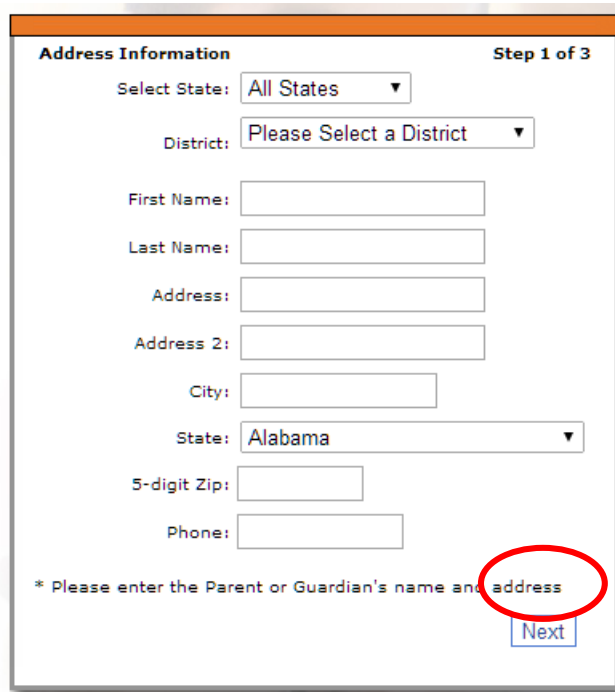

OH - St. Albert the Great North Royalton and then fill in the remaining contact information.

ii.

1. Be sure to use your name, not your student's. Your school district determines if/how a fee will be applied.

2. If you are satisfied with your entries, click the next button to proceed.

The form contains several input fields: "Select State:" with a dropdown menu set to "All States"; "District:" with a dropdown menu set to "Please Select a District"; "First Name:" with a text input field; "Last Name:" with a text input field; "Address:" with a text input field; "Address 2:" with a text input field; "City:" with a text input field; "State:" with a dropdown menu set to "Alabama"; "5-digit Zip:" with a text input field; and "Phone:" with a text input field. At the bottom, there is a red circle around the text "\* Please enter the Parent or Guardian's name and address" and a "Next" button.

## Step 3 – Enter Payment Method Information

- 3) Enter the payment method and related information to process your PayForIt.net transactions going forward. Our site allows payments with Credit Cards or ACH Electronic Check Processing; however your school district can offer both options, or may only offer ACH or Credit Card payments.
- a) First you need to select the Payment Method Choice. Once this is chosen, the screen will display the type of information you need to capture based on credit/debit card requirements or ACH requirements.
- i) If opting to enter more than one credit card into PayForIt.net, the Nickname field is used to differentiate between the different cards (i.e. Mom's Visa vs. Dad's Visa). After entering credit card information in this step, PayForIt.net will not display your full credit card information anywhere on the site. For security purposes, it will only display your nicknames during the transaction process.
- ii) Once the credit/debit card or ACH information has been entered, press Next to proceed to the next step.
