

Saint Henry School

Aftercare Teacher

Saint Henry School is seeking experienced, innovative, and passionate staff for our new Aftercare program. We are seeking applicants willing to work hard to ensure the students are provided supportive and nurturing care in an environment appropriate for after school hours. The staff will design age appropriate activities, allow for creative play and encourage individual interests for our students during after school hours. The staff will work collaboratively with the administration and partner with parents to communicate student successes and areas of growth. Staff members are expected to be passionate about what they do, the students they provide care for and mentor, and the school community. Saint Henry School is an exciting, highly professional, and very engaging community.

REQUIREMENTS

- High School Diploma
- Ability to follow the guidelines and policies provided
- Willing to incorporate the teachings of the Catholic faith
- Experience working with children in various developmental stages preferred
- Strong communication, collaboration, and organizational skills
