Catholic Guidance for End-of-Life Decision Making

End-of-life decisions, for ourselves and for loved ones, are among the most challenging we will ever face. There is a movement in our nation to legalize assisted suicide, but that is a false answer and is a dangerous experiment. Our Church offers comfort and practical guidance to live and die with dignity. Visit www.CatholicEndofLife.org to watch the video and read the New York State Bishops' document "Now and at the Hour of Our Death." Learn why the Church favors palliative medicine and comfort care, and why the Church opposes physician-assisted suicide.

The collection for April 1/2 was \$6,938.
Thank you for your continued generosity.
