

December 2, 2018

Dear Parents,

Congratulations! We are very excited that your teen has completed the first step of his Confirmation preparation. We pray your teen is gaining a better understanding of his faith and is encountering the living God!

As we continue forward, we are asking your teen to live the faith he will be professing at Confirmation. As Catholic Christians, this is what we are commanded to do by God and what will help your teen to grow in relationship with Him. Therefore, it is vitally important to attend Mass every Sunday and pray with and for your teen.

Please carefully read and discuss the Continuation Commitment you and your teen are being asked to sign. The form should be returned by December 9 when your teen will be affirming his commitment to his formation for the Sacrament of Confirmation.

In Christ,

The Ignite Confirmation Team
