Combined Mission Collections

Next weekend, June 15th & 16th there will be a combined second collection for the Latin America & Home Missions. Although the people are faith-filled the needs are great. The distance between rural areas and deteriorated roads make it difficult for some communities to have Mass celebrated regularly. Let us join with our brothers and sisters around the world who will gather at the Lord's Table to celebrate our common vocation as missionaries. Our prayers and concrete gestures will help local churches, and churches across the globe.

Held at Best Western, 503 Washington Ave.

Alice Fisher is the Founder/Director of The Radical Age Movement, which is a national grassroots effort that challenges traditional notions of aging. "We are building an intergenerational movement dedicated to confronting and eradicating age discrimination and its impact on older adults in all areas of cultural, professional, and community life."

As a former aid to NYS Senator Liz Krueger, Alice developed and oversaw the Senator's "Roundtable for Boomers & Seniors" and counseled the older constituents on housing, healthcare, quality of life and end of life issues. This experience provided Alice with an inside view of the struggles older adults have in their daily lives and the role that ageism plays in amplifying these issues.
