REFLECTIONS

- *Peter stands with the other apostles and tells the Jewish people that he and the others were witnesses to the resurrection of the Lord ...
- *We also are called to continue this witness, this apostolic witness in the world...
- *But then we are given the grace to return to Jesus Christ and embrace His Life and Love...
- *We must be committed to Christ...
- *Radical holiness means being apostles in a world longing for meaning...
- *Radical holiness means being so full of the Love of Christ that His love overflows from us to those who are searching for Him...
- *We are called to be apostles...
- *The world has been transformed...
- *We are part of that transformation...
- *And we are witnesses to Jesus Christ...

AIR CONDITIONS

Very soon we will be having the air conditioners installed. There will be AC only on the sides where there is ceiling. In the middle the ceiling is not there and I hope in future we will be able to put one which will be more or less the same type of the sides. The Chinese Community who has the 2 pm Mass suffers the most due to the Sun coming in during the summer. I know that the present AC is not the total solution but at least something better than nothing. So those who cannot bear heat or has difficulty to breath can sit on the sides. Also mothers who come with their infants and little ones should be given the preference. Some of our parishioners who cannot tolerate AC can sit in the middle. The fans will always be on, so that we can participate in the Sacrifice of the Mass.

Reminder

Next Sunday, May 7th we will be celebrating First Holy Communion at the 10:15AM Mass.

Mother's Day, May 14th all Masses are a tribute to our mothers living and deceased.

Confirmation will be held on May 25th, 5 PM at Saint Mary's Church.

THE NEW PEOPLE OF GOD

The "new people" who were ready for the battle ahead. Their hearts were now perfect before the Lord and no hurts, wounds, rejection, discouragement, fear, anxiety, despair, hopelessness, could ever enter back in that heart any more. It had become a fortress against the enemies attacks. These "new people" with the "perfected hearts" were now forming into an Army of the Lord ready to go into battle with the Lord. There was such a maturity in that heart. It was like they were invisible or a shadow around the heart. (This army we are but getting a glimpse of now as mature full grown sons begin to function together not just as a family of God, but an army of God released to subdue the nations and preach the Kingdom of God as a witness on all the earth. Then will be church system way of life and a new one the Kingdom age come into full existence in every nation.) This arising army of the Lord is visible to see only in the hearts that were perfected and beating as one with the Lord. The shell, or the body around this Glory was not seen anymore just Jesus living in us. Invisible but visible to the eye, but it was not the focus of God on what or how it was being done. God's only focus was on the heart that would live for only God's intentions on the Earth. He was not enjoying the "process" at work in us, but how the "process" was leading us all out of fear. It is not a movement or a revival, it is a "moving of God" within His people. The waves came over a cup of coffee, or with a "spiritual song" or a "song of deliverance," or a deep revelation from the heart of God concerning the time that "now is" or with a simple song sung like "Jesus lover of my soul."

Today is the last class for the Religious Education Program K – 6. Thank you to everyone that made this year possible. Remember you must register every year for the program. If you participated this year that does not mean that you are automatically registered for September 2017. REGISTRATION WILL BEGIN IN AUGUST 2017

REFLEXIONES

*Pedro se encuentra con los apóstoles y les dice al pueblo judío que él y los demás fueron testigos de la resurrección del Señor...

*Nosotros también somos llamados a continuar este testimonio, el testimonio apostólico del mundo...

*Pero, se nos da la gracia de volver a Jesucristo y alabar su vida y su amor...

*Debemos estar comprometidos con Cristo...

*La santidad significa ser apóstoles en un mundo que anhela por el sentido...

*La santidad significa ser tan llenos de amor a Cristo, que su amor nos desborda de quienes están a la búsqueda de él...

*Estamos llamados a ser apóstoles...

*El mundo ha sido transformado...

*Y somos parte de esa transformación...

*Y también nosotros somos testigos de Jesucristo...

ACONDICIONADORES DE AIRE

Muy pronto tendremos los acondicionadores de aire instalados Habrá AC solo en los lados donde hay el techo. En el centro no existe el techo y espero en un futuro que seremos capaces de poner uno que será más o menos el mismo tipo de los lados. La comunidad China que tiene la 2:00 misa sufren más durante el verano por el sol Sé que la AC que vamos tener no es la solución total pero al menos algo mejor que nada. Así que aquellos que no pueden soportar el calor o tiene dificultad para respirar pueden sentarse en los lados. También las madres que acuden con sus bebés y los pequeños se deben dar la preferencia. Algunos de los feligreses que no pueden tolerar la AC pueden sentarse en el medio. Los abanicos siempre será, por lo que podemos participar en el sacrificio de la Misa.

Recuerdo

El próximo Domingo, 7 de Mayo vamos tener La Primera Comunión en la misa de 10:15 AM

Día de Madre, 14 de mayo, todas las misas son un homenaje a nuestras madres viven y difuntos.

Confirmación vas hacer en La Iglesia Santa María el 25 de Mayo a las 5PM.

EL NUEVO PUEBLO DE DIOS

La "gente nueva" que están listos para la batalla más adelante, sus corazones estaban perfectos ante el Señor y no dolor, heridas, rechazo, desaliento, temor, ansiedad, desesperación, desesperanza, podría entrar en ese corazón nada más. Se convertido en una fortaleza contra los ataques del enemigo. Esta "gente nueva" con un "corazón perfeccionado" ahora fueron formando un ejército del Señor listo para entrar en batalla con el Señor. Había una madurez en ese corazón. Era como si fuera invisibles o una sombra alrededor del corazón. (Este ejército somos pero viendo un vistazo de ahora como hijos adultos maduros empezamos a funcionar juntos no sólo como una familia de Dios, pero un ejército de Dios liberados para someter a las Naciones y predicar el Reino de Dios como testigo en toda la tierra. Entonces será el sistema de la iglesia de la vida y un nuevo reino entrara en existencia completa en cada nación.)

Este ejército de Dios que se presenta es visible solamente en los corazones que se perfeccionaron y palpita como uno con el Señor. La cáscara, o el cuerpo alrededor de esta gloria no es visto solamente solo Jesús vive en nosotros. Invisible, pero visible a los ojos, pero no era el enfoque de Dios en qué o cómo lo hicieron. El enfoque único de Dios estaba en el corazón que viviría sólo las intenciones de Dios sobre la tierra. Él no estaba disfrutando el "proceso" obrando en nosotros, pero como el "proceso" nos llevaba fuera del miedo. No es un movimiento o un avivamiento, es un "movimiento de Dios" dentro de su pueblo. Las olas salió con una taza de café, o con una canción "espiritual" o un "canto de liberación" o una revelación profunda del corazón de Dios concerniente a la vez que "ahora es" o con una simple canción cantada como "Jesús amante de mi alma".

Hoy es el ultimo clase de doctrina para los grados K – 6. Gracias a todos los que hicieron posible este año. Recuerde que debe registrar cada año para el programa. Si usted participó este año eso no significa que automáticamente está registrado para septiembre de 2017.
