Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

From the Parish House

10 February 2019

Dear Fellow Parishioners,

February 11th is the feast of Our Lady of Lourdes, commemorating the 1858 apparition of our Blessed Lady to St. Bernadette in Lourdes, France, during which she proclaimed herself to be “the Immaculate Conception”. Many thousands of people have received miraculous healing in the waters of the pool which sprang up in this place. Having great devotion to our Blessed Mother, and having great compassion for the sick and suffering of the world, the late Pope John Paul II designated this date as World Day of the Sick. It is, in the words of the Holy Father, “a special time of prayer and sharing, of offering one’s suffering for the good of the Church and of reminding us to see in our sick brothers and sisters the face of Christ Who, by suffering, dying and rising, achieved the salvation of humankind” (from his *Apostolic Letter Instituting the World Day of the Sick*). Today’s readings help to remind us of the suffering which is still so prevalent in our world, much of which could be alleviated by simple medications in proper amounts. Yet so many people are not able to avail themselves of these remedies because of political ideologies and corporate greed. Perhaps as we reflect on what we can do to help alleviate the suffering of our sick brothers and sisters, both here in our own country and around the world, especially in the developing nations, we can look to see what charities/organizations we can support to assist them in promoting the just distribution of life saving, and pain alleviating, medicines for those who are in need of them. We need to reach out to our political leaders to let them know of our concerns and our desire that they work to make the suffering of so many people their concern as well. The old axiom “The squeaky wheel gets the grease” can well apply here, but there will be no grease unless we make the squeak!

This month we honor two great presidents of our country: our ‘founding father’ George Washington, and ‘Honest Abe’ Abraham Lincoln. Washington guided the ‘birthing of our nation’ through the Revolutionary War and the early days of our independence. Lincoln fought to keep our country united through the bloodiest war of our nation. Both men implore us, as individuals and as a nation, to enshrine the powerful concepts of freedom: life, liberty and pursuit of happiness. Those of us who have been born in this country may tend to take these basic tenets for granted. But for those who have come to our country seeking them, they are indeed something to be cherished. While we may hear about gangs, cartels, terrorists, and caravans, we must never forget that first and foremost that most of the immigrants are individuals like ourselves, seeking a better life for themselves and their families. For those who fall into the other categories, we should be thankful for our law enforcement officers and our legal system who work to apprehend and incarcerate the ‘bad apples’, thus keeping us as safe as possible from crime and violence. While Washington fought to create a nation, and Lincoln fought to keep the nation together, it is now our turn to take up the torch and keep our country faithful to its founding principles and work to treat everyone with equitable justice and true charity.

A parting chuckle: A little lad was attending his first wedding, after which his slightly older cousin asked him, “How many women do you think a man can marry in his lifetime?” Without hesitation the boy answered “16”. “How do you figure that?” asked his amazed cousin. “Easy”, the lad replied. “All you have to do is add it up like the priest said: 4 better, 4 worse, 4 richer, 4 poorer!”

With love and prayers,

Fr. Brian

Respect for Life Action Alert:

Gov. Cuomo has indicated his intention to sign into law the **Reproductive Health Act**. This Act would make abortion-on-demand legal, in New York State, throughout the full nine months of pregnancy. This Act will still be law even if the Supreme Court decides to overturn Roe v. Wade. It will also allow surgical abortions by persons other than licensed physicians. Please contact your state senator this week and urge them to vote NO for the **Reproductive Health Act**. **Please contact our Respect Life Committee for more information, Tom Faranda at 914-271-4598. Please pick up a flyer in the back of the Church/Chapel.**
