A Father Looks Back

Longtime country music singer Kenny Rogers has a song called "Water and Bridges," which highlights a father's pain after losing a child to abortion. Rogers told CNN that the song is not about him but is "really about choices you make when you're young that you pay for when you're old." He goes on to explain, "It starts off with a young couple who have an abortion, and the guy says, 'If a father could hold his son, I could undo what's been done, but I guess everyone is living with water and bridges.'" Counseling and healing is available for any man or woman who has lost a child to abortion.

FATHER'S DAY PRAYER

Father,

It is your commandment that we should honor our fathers; hear the prayers we offer You for them.

Grant them many years on earth and keep them in health of mind and body.

Bless their word and all they do.

Give them back a hundred-fold whatever they have done for us.

Inspire them with Your love and help them fulfill Your holy law.

One day, may we be their comfort and support, so that having enjoyed their affection on earth, we may have the joy of being with them forever in Your home in Heaven.

Through Christ our Lord.

Amen .
